**WITHDRAWAL OF NOTICE OF SETTLEMENT**

On or about April 11, 2022, Defendant Millennium Financial Group, Inc. (Millennium) filed with this Court Millennium's Notice of Settlement. Also on April 11, 2022, Plaintiff Vance Dotson (Plaintiff) gave counsel for Millennium permission to file said Notice based upon a tentative settlement of Plaintiff's claims against Millennium in this matter. It has now come to the attention of Millennium that the status of Plaintiff to bring or settle any claim in this matter against Millennium is in doubt and, therefore, Millennium withdraws its Notice of Settlement.

On or about April 22, 2022, Saysha Orange (Orange) filed her Motion to Intervene in this matter based upon her contention that an assignment of her claims against Millennium (and others) dated August 2, 2021, was on or about April 7, 2022, as agreed by both her and Plaintiff, to be nullified (see Saysah Orange's Motion to Intervene, ECF document entry number 14 in this matter). As a result, if Orange's statement in her Motion to Intervene regarding the assignment of her claims as to Millennium is correct, Plaintiff had no authority to agree on April 11, 2022, to a

settlement of the alleged claims, since any such assignment was purportedly nullified on April 7, 2022. Millennium will file additional appropriate pleadings forthwith.

Respectfully submitted,

**s/Robert G. Cass**
